Dear Community Partners;

Hi there! We hope this email finds you well. We are approaching you from the Co-operative Education program at Glebe Collegiate Institute. Our goal is to expose our students to a variety of pathway options (work, skilled trades, college and university) through experience, exposure and experiential learning opportunities. These opportunities only happen when we work together, and in doing so, you help us create an invaluable and enriched experience for our youth.

Every year, we work with community partners; however, after the pandemic, we are revamping our program and updating our connections. We are reaching out to you to ask you to fill in this form by November 3rd, 2023, if you are interested in working with us as community partners:

- [Community Partners Questionnaire](#)

There are a variety of capacities in which you can contribute and / or participate, some of which are low commitment and some are of high commitment. Here are some examples:

- Co-op supervisor
- Guest speaker in a class presentation
- Hosting a field trip at your location
- Participating in a Career Fair or Human Library at Glebe
- Job Shadowing

Here is the Web Link to Co-op supervisor information:

Thank you very much for supporting Glebe's Experiential Learning opportunities / Co-operative Education program (including SHSM, OYAP and Dual Credit students) If you have questions or would like to meet with us to discuss this further please contact either Jacki Coolican or Alanna Dewan. To those of you who we have worked with over the years, we send out a huge 'Thank-you' to you and your team. Your commitment, dedication along with the huge impact that you make on our students does not go unnoticed.

Take care and stay well,

Jacki Coolican & Alanna Dewan
